Mr P. N. Simmons
Office of Defence Transportation
Washington D. C.

Dear Sir:

I am in receipt of a letter of June 25th, asking me "as to the nature of any special bus services in which your equipment is engaged"

The ODT refused to grant us a certificate of war necessity at the beginning of the baseball season, and as a result we have not used the bus this year. There has been no license plate issued for it.

I hope this is the information you want. If not please advise me further.

Very Truly Yours
